lawful money of the United States, which may be increased or decreased by a rider hereto executed in the same manner as this bond.

The principal, in order to more fully secure the United States in the payment of the aforesaid sum, hereby pledges as security therefore, United States negotiable securities of a par value equal to the amount specified, cash, irrevocable letter of credit from a Federal Reserve Bank, or other instrument acceptable to the Bureau of Land Management (BLM). b. Any modification of the plan of operations or obligations thereunder; and

4. 5. WHEREAS the principal agrees that in the event of any default under the plan of operations, the United States, through the BLM, may commence and prosecute any claim, suit, or other proceeding against the principal, without the necessity of joining the owner(s) of the mining claim(s), mill site(s), or tunnel site(s) covered by the plan of operations; and

6. WHEREAS if the principal fails to comply with any provisions of the plan of operations, and the noncompliance continues for 30 days after written notice thereof, such plan of operations shall be subject to suspension or cancellation under Section 302(c) of the Federal Land Policy and Management Act, as amended [43 USC 1732(c)], and the principal shall also be subject to the applicable provisions and penalties of Sections 303 and 305 of the Federal Land Policy and Management Act of 1976, as amended (43 USC 1733 and 1735).
